Preface

I joined Rampur Raza Libraray on 24/05/1998 and Appointed for cataloging of Arabic manuscripts. Vol.7 which is related with Ilmul Lisan (linguistics) (علم اللسان)including Imla(transliteration), Sarf wa Nahv(grammer) ,Balaghah (Rhetoric), Urooz, Qafiah (Prosody), Insha (the Art of writing), Nazam (Poetry),and Muhazrat (Lectures),dauratul Maarif (Encyclopedia) Adab (Literature).etc, and was left undone by Molana Imtyaz Arshi Sahab. I completed few subjects of Ilmull Liasan (Linguistics) at that time But later it was given for correction to Prof. Nisar Ahmad farooqi who passed away after sometime without completing it.

Then I have been given different sort of works like translation of Mughal Persian farameens (Official Orders) and Documents, Card catalogue of eight Urdu Registers. And translated few books from Arabic and Persian into Urdu etc. In the early two years I completed Index to the six volumes of Arabic Manuscripts catalogue.

I also deciphered and translated Hazrat Ali's 55 Arabic Miniature paintings preserved in RRL. But the Cataloguing was almost stopped because of other typical works under Urgent circumstances by the authorities.

It was only Sayyid Mohammad Azizuddin Husain who opened the door of cataloguing after joining the Library as a Director and founded complete "catalogue section" (which was not existed) and he appointed the cataloguers of all the languages and asked me to guide and supervise them. So I had to train and guide them be it Persian, Urdu, Arabic, or Sanskrit catalogers. Besides Seminars,

Book fairs, Exhibitions, that’s why a bit delay occurred in the preparation of Arabic Catalogue.

Now I am very much thank full to the Prof. S.M Azizuddin Husain, Director of Raza Library who provided all the facilities, atmosphere and encouraged so much so that now the catalogue of Ilmul Balaghah (Rhetoric) is in your hands.

In the hand list of Catalogue of Arabic Manuscripts prepared by Molana Imtyaz Ali Khan Arshi 116 Books have been mentioned and cataloged in this Subject out of which following three numbers 5064 , 300,428 B.F, and Faraidul Fawaid (after 5076,befor 1712) we could not find. So the *present catalogue which is in your hands covers all 113 manuscripts which are bound* in 81 Volumes starting from No. 5009 and ends to 5089 under the subject Rhetoric (Ilmul Balaghajh).

Here I would like to share some Pleasant experiences which I have been through during the work of cataloging which made me sure that Arabic collection is really very special and different from other languages in this Library. It is very difficult and tough job to decipher the seals which are most common and important in Arabic Manuscripts. And they are interesting as well. Which show the period, dedication, and ownership of the Book, place and thinking of the Author, copier, or Commentator. For example I found some nice Arabic Aqwalls (sayings), Persian couplets, names etc: as under:

“عزّ من قنع و ذلّ من طمع”.**Glory of the incline and humiliation of greed",**

“ علی محمد شاہ غازی فدوی محمد شاہ بادشاہ “,And the owners couplet:

”در حقیقت مالک ہر شی خدا است = ایں امانت چند روزی نزد ماست“

در تصور ہر شبے با روئے یار = عشق بازی می کند جانِ فگار

And in the seal of Copier Abdus Shakoor: ” وقليل من عبادى الشكور ”

Some of them have been written in the period of Jalaludin Mohd Akbar, or dedicated to Shah Jahan Badshah, or Mohammad shah Badshah Ghazi. One Manuscript Number.104 “Zubdatul maani” is really rarest of the rare because it is a collection of 17 Manuscripts of different subjects, different topics But the author and copier is the same. And the author himself is the copier of all the seventeen Manuscripts. Related to Rhetoric, History, Medicines, Geography, Moral Philosophy, Sufism, Magic, Prosody, etc. Muhazzabuddin Ahmad bin Abdur Razaq ad-damamini is the author and copier both.

So there are many rare books which deserve special attention on the basis of oldness, dedication, place, seal, scriber, memory notes, author, etc are following:

1 **Call No: -5010-**Nihāyat-ul-Eijāz fi Dirāyat-il-Aijāz. **نهاية الايجاز فى دراية الاعجاز** by Fakhruddin Abu Abdillah Muhammad b. Some very famous Authors and Commentators were as Zainuddin abul Hasan “as-Sayyed as-Sharif”, Wajeehuddin Ahmad Alawi al-Gujrati, Shaik Ahmad Abiwardi, Taqiyyuddin al-Hamavi, Abdul Qadir“al-Mashshat’, Saifudin Ahmad at-Taftazani, Nizamudin Usmanal-Khatai“Mola zadah”, Muhazazabud din Abdur raza ad-Damamini.

Here I also would like to thank Dr. Abu sad Islahi Library and information Officer who provided the manuscripts and solved my problems during cataloging work time to time because of his long experience as a custodian of Rampur Raza Library manuscripts.

Also would like to thank to Isbah Ahmad Khan who has been very kind with me and punctual and Alert towards his duty of taking out manuscripts and keeping them in their places carefully.

And there is unforgettable contribution of “Nazma be” a seventeen years senior employee of the Library who typed and feeded the whole data in to the computer. And also helped in preparation of all five index of this catalogue. Had she not been there we would really not been able to complete the work, she is the one who dedicated herself for typing our cataloger in the access Performa Patiently. I am really very thankful to her.

As well as It is also very important to thank my colleagues Sayyed Naved Qaisar Shah, and Dr. Tasbassum Sabir to whom we used to discuss our problems with each other “because the Manuscript itself is a problem”. And I will never forget the contribution of My friend Muhammad Junaid Shamsi who being a computer Expert took out his precious time for solving all my problems of setting the Book format in access and Ms-World both. He expend so many days with us

keep trying to manage all the computer soft ware related difficulties and challenges which was not really easy task.

Rampur RazaLibrary.Rampur

Introduction

The Rampur Raza Library is one of the important libraries of the World. Besides works relating to different religions, traditions, it is a treasure house of Indo-Islamic learning and arts. This library was founded by Nawab Faizullah Khan in 1774. The Nawabs of Rampur were great patrons of learning and the learned *ulema*, poets, painters, calligraphers and musicians - enjoyed their patronage. After the independance of India and merger of the state in the union of India, the library was brought under the management of the trust, which was created on 6th April, 1951. Professor Saiyid Nurul Hasan, former Minister of Education, Government of India, brought this library under an Act of Parliament on 1st. July, 1975. The Chairman of the board is Honourable Governor of Uttar Pradesh. It is having around 17000 manuscripts in Arabic, Persian, Pashto, Sanskrit, Urdu, Hindi and Turkish languages. Moreover, it possesses a good collection of paintings and palm leaves in various Indian languages. A collection of around 60,000 printed books in various Indian and foreign languages are also available.

There are two landmarks in the Islamic world in the field of Cataloguing – Ibn Nadeem's – *Al-Fehrist* and Haji Khalifa's – *Kashfaz Zanoon.* Raza Library is having rich collection of manuscripts and prepared its catalogues. Ahmed Ali Shauq wrote a book titled – *Kitab Khana-i-Rampur,* which was published in 1998. It shows that first, list of the manuscripts and books was prepared during the period of Nawab Kalbe Ali Khan (1865-87). It seems to be the first proper list of the collection of Raza Library.

In 1888, Maulana Shibli Nomani visited this library and submitted a comprehensive report titled – "*Report Mutaliq Kutub Khana-i-Riyasat Aliya*

Mustafabad, Rampur" dated 14th October, 1888. He pointed out the problems of the catalogues of Raza Library. Then he again visited Raza Library on 6th April, 1914. On the basis of this report Nawab Mushtaq Ali Khan (1887-89) directed the staff of the library to prepare the new Catalogue of the Manuscripts of the library in the light of the suggestions of Maulana Shibli Nomani. This catalogue bears the following columns.

1. *Nam-i-Fan* (Name of the subject)
2. *Number Shumar* (Number)
3. *Nam-i-Kitab* (Name of the book)
4. *Nam-i-Musannif* (Name of the book)
5. *Zaban* (Language)
6. *Qalmi/Chhapa* (Manuscript or Printed)
7. *Kaifiyat* (Condition)

Following scholars were deputed to work for the cataloguing of manuscripts and published books of Raza Library, Maulana Hafeezullah, Maulana Muhammad Taiyab, Principal of *Madarasa-i-Aliya*, Maulana Fazl-i-Haq Rampuri, Maulvi Zahoorul Hasan, Maulvi Majduddin and Maulvi Fasihuz Zaman. This catalogue was having classification of books on the subject.

In 1897 Haifz Ahmed Ali Shauq was appointed in the library and under the supervision of Hakim Ajmal Khan, prepared the list of Arabic books based on subject. There are stock registers and the list of books which was prepared during the period of Nawab Hamid Ali Khan (1889-1930) by Munshi Amir Meenai, Munshi Abdur Rahim and Mehdi Ali Khan, *Munsarim* of Raza Library in 1889. This register bears the signature of all the three persons. Now this register itself

has become a manuscript. Alphabetic order is followed for the listing of books. It is having 9347 books. But in 1904 on Nawab Hamid Ali Khan's suggestion a new register was prepared. Ahmed Ali Shauq writes that, "During the period of *Nawab Khuld Ashiyhan* (Nawab Kalbe Ali Khan) a register was prepared in three parts." This list was based on alphabetic order but the classification based on subject, was not being followed. This register is having both the manuscripts and published books together. This catalogue was published in 1902. It is having details about the manuscript. Then he prepared the second and third volumes of the catalogues with more modifications which were published in 1928. These two catalogues are more detailed and descriptive. He had taken inspiration from the Catalogue of manuscripts published by British Museum, London. He himself mentions that this was done by Maulana Muhammad Nabi, Registrar *Kutub Khana* and Maulana Abdullah Amratsari also contributed in this work. But these catalogues were having manuscripts and books together. These catalogues were written in Urdu language. Maulana Abul Kalam Azad, Former Minister of Education, Government of India, visited Raza Library in 1952 and he also suggested for the compilation of catalogue of manuscripts and printed books.

Hakim Ajmal Khan was appointed as Afsar-i-Ala of Raza Library by Nawab Hamid Ali Khan. Under Hakim Ajmal Khan's patronage the first volume of Arabic manuscripts was compiled and published in 1902. Then Hafiz Ahmed Ali Khan Shauq (b.1862) was appointed as the librarian of Raza Library in 1905. He worked on Cataloguing of the manuscripts of the library. He compiled the second and third volume of Arabic manuscripts, which were published in 1928

and 1929 in urdu. He prepared this catalogue on the pattern of the catalogue of manuscripts published by British Museum, London.

In 1932, Maulana Imtiyaz Ali Khan Arshi took over the charge as *Nazim-i-Kutub Khana*. He was an eminent scholar and took keen interest in the collection of the Library. He took up the task of the compilation of Catalogue of Arabic manuscripts of Raza Library. He compiled and published six volumes of Catalogues of Arabic manuscripts. Maulana Imtiyaz Ali Khan Arshi rearranged the collection of the library and separated manuscripts from the published works based on subject. Instead of doing cataloguing in Urdu, Maulana Imtiyaz Ali Khan Arshi compiled the catalogue of Arabic manuscripts in English so that larger section of scholars could be benefitted. Mr. Imtiyaz Ali Khan Arshi, writes in his preface dated 26th November, 1963 that, "This is the first volume of Catalogue of Arabic manuscripts preserved in Raza Library, Rampur." Mr. D.M. Sinha, IAS, Secretary, Raza Library Trust, writes in his introduction dated 27th November, 1963 that, "Since long the need for publishing in English a Descriptive Catalogue of the manuscripts of Raza Library, Rampur, was felt by oriental scholars all over the world. Fortunately the Ministry of Scientific Research and Cultural Affairs, Government of India, sanctioned a grant for publishing a Catalogue of Arabic and Persian manuscripts. With their aid, which we acknowledge with thanks, we have been able to place before oriental scholars the first volume of this catalogue of Arabic manuscripts. It is proposed to exhaust the Arabic manuscripts in four volumes, after which the catalogue of Persian manuscripts will be issued on the same pattern." Mr. Sinha highlighting the scholarship of the compiler of this catalogue records in these words, "The

compiler of this catalogue, Mr. Imtiyaz Ali Khan Arshi is a scholar of repute in the world of the oriental learning. I am sure, this work of his years labour would be up to the standard lay down by his co-workers both in this country and abroad." Maulana Arshi successfully completed six volumes of the catalogue of Arabic manuscripts in 1977 but his death in 1981, proved to be a setback in the compilation of the descriptive catalogues and since then this work suffered a setback. When I joined as Director of Raza Library on 3rd April, 2012, so I decided to pay special attention for the compilation of the descriptive catalogues of manuscripts. Catalogue of Pashto manuscripts was published by Rampur Raza Library in 2012.Catalogue of Turkish and two volumes of Persian manuscripts published in 2014.

I am highly grateful to Shri Ram Naik, Honourable Governor of Uttar Pradesh and Chairman, Rampur Raza Library for his patronage. I am extremely grateful to Shri Sripad Yesso Naik, Minister of Culture, and Mr. Ravinder Singh, Secretary, Ministry of Culture for their financial support. I am thankful to Principal Secretary to Honourable Governor of Uttar Pradesh Mrs Juthika Patankar for his kind help and support. I am equally indebted to Shri V. Srinivas, Joint secretary, Ministry of Culture, Government of India, New Delhi for giving me all the help.

I am highly thankful to Dr.Mohammad Irshad Nadwi Noganwi for the compilation of XVI th volume of the Catalogue of Arqabic Manuscripts. I am grateful to my colleagues Dr. Abusad Islahi, Library and Information Officer, Mr. Isbah Khan, Mr. A.K. Saxena, Ms. Mohini Rani, Ms. Bilqis Farooqi, Mr. Faisal Khan whose valuable help and hard work has made this work possible.
